EVR 1001 – Intro. To Environmental Science
Course Syllabus

Notice: Due to the ever-evolving climate of COVID-19, this syllabus is subject to change. Please log into D2L for the most up-to-date information.

Term: Fall 2022

CRN: 10100

Course Number: EVR 1001

Section: 1

Course Title: Into to Environmental Science

Meeting Location: Online

Meet Day(s): Online

Time: Online

Instructor: A. Doughty

Office Location: 34/102

Telephone: (850) 973-1645

Email: doughtya@nfc.edu

Department Chair: Dr. Guenter Maresch

Department Chair Email: mareschg@nfc.edu

Course Description: Topics covered include pollution (air, water, pesticide, chemical dumps), overpopulation, ozone destruction, global climate change, habitat destruction, loss of rain forests and endangered species. The biological impact as we as proposed solutions will be addressed. This course includes examples of applied science in the world today. Students who plan to pursue a degree in environmental science should consider EVR 1001 for General Education Science credit. Students cannot receive credit for both EVR 1001 and BSC 1050.

Prerequisites: Successful completion of an NFC developmental reading course option or appropriate reading placement score on a postsecondary readiness test. Exemptions may exist; consult an academic advisor.

Corequisites: None

Instructor response time for phone and email messages: I will return your call or email within 48 business hours of receipt, unless it's on the weekend or a holiday and then I will return your call or email on the next business day.

Living in the Environment by Miller and Spoolman, 20th edition.

Additional resource materials and/or supplies:

- Access to a reliable computer and internet connection
- Microsoft Office (Specifically Excel, PowerPoint, Word and OneDrive) physically downloaded on your computer

Minimum technological requirements and skills:

Technological Requirements:

- Student will need to have access to the internet and an up-to-date computer that will run D2L during non-school hours or make provisions to complete all work during campus hours, Monday through Thursday, from one of the many computer labs across campus.
- Preferred browsers for D2L and Connect websites is Firefox/Mozilla/Chrome with all plug-ins up to date for D2L, Safari (Apple devices) may not work well in some instances. Student should have at least two different browsers available on their computer to assist with troubleshooting.
- Student will need Office 365 (specifically PowerPoint, Word and Excel) – available free to registered NFC students, works with Mac and PC but not very well with Chromebooks. Student will download PowerPoint, Word and Excel directly onto their computer.
- Online Homework and some virtual labs will be completed using the textbook publisher website which requires an internet browser with pop-ups disabled, a pointing device (mouse or touch screen), and current versions of Flash, Shockwave, and Java installed on your computer. You should access all assignments through the D2L links provided.
- LockDown Browser is required for all exams – students will ensure they have downloaded and performed system checks for the LockDown Browser before their first module exam. Chromebooks do not traditionally work with Lockdown Browser (it is up to the student to ensure their computer runs the browser or make alternate plans for access to a computer that can run the browser)
- Any technical issues should be troubleshooted immediately
 - ***NFC Technical Support: Contact NFC Computer Services at (850) 973-1672 or email help@nfcc.on.spiceworkds.com for computer hardware, D2L and general email assistance.***
 - ***Cengage Technical Support: Visit <https://www.cengage.com/help-center/> for assistance and other support.***

Skill Requirements:

Students should be able to:

- Initiate troubleshooting of technical difficulties with their computer before contacting instructor or IT. This includes:
 - Taking a screenshot of the error
 - Trying different browsers
 - Clearing cache and cookies of each browser
 - Using “incognito” browser settings.
- Update browser settings, including updating necessary plug-ins and turning on (and off) popups.
- Download files and save files in various formats
- Create and edit PowerPoint and Excel files
- Use their NFC email account to send communication using correct email use and protocol outlined in the Course Email Policy below.

Course grading/evaluations:

1. Exams (35%)
 - a. The lowest score of the unit tests will be dropped
 - b. Requires LockDown Browser
2. Online Homework Assignments (20%)
3. Journal Submissions (25%)
4. Discussion Board (20%)

Student grades will be kept in a D2L grade book. Students can access their grades anytime throughout the semester. Grades are calculated as a running total throughout the semester, meaning as new assignments are added you will see the grade change to include the new assignment in the overall score. To periodically calculate your current grade in the course, visit the Grades tab and use the following formula with the fraction numbers you see:

$$(Top\ Number \div Bottom\ Number) \times 100 = \% \text{ Score}$$

Letter grades can be calculated using the scale below.

A = Greater than or equal to 90%

B = Greater than or equal to 80%, but less than 90%

C = Greater than or equal to 70% but less than 80%

D = Greater than or equal to 60% but less than 70%

F = Less than 60%

Exams and LockDown Browser: This course requires the use of LockDown Browser for online exams. Watch this video to get a basic understanding of LockDown Browser:

<https://www.respondus.com/products/lockdown-browser/student-movie.shtml>

Download Instructions

- Select the quiz in the course
- Under Quiz Requirements you will see "To take this quiz you must use the Respondus LockDown Browser"
- Below this will appear: "You can use the button below if you have not already downloaded LockDown Browser". Click the button to go to the download page and then follow the instructions
- Use the link to download Respondus LockDown Browser to your computer; follow the installation instructions
- Return to the Quiz page in Brightspace (it may still be open in another tab) and select the quiz
- Select "Launch LockDown Browser"
- The quiz will now start

Note: LockDown Browser only needs to be installed once to a computer or device. It will start automatically from that point forward when a quiz requires it.

When taking an online quiz, follow these guidelines:

- Select a location where you won't be interrupted.
- Before starting the test, know how much time is available for it (50 minutes for Module exams and 120 minutes for the Final Exam), and also that you've allotted sufficient time to complete it
- Turn off all mobile devices, phones, etc. and don't have them within reach
- Clear your area of all external materials - books, papers, other computers, or devices
- Remain at your desk or workstation for the duration of the test
- LockDown Browser will prevent you from accessing other websites or applications; you will be unable to exit the test until all questions are completed and submitted

Several resources are available if you encounter problems with LockDown Browser:

- The Windows and Mac versions of LockDown Browser have a "Help Center" button located on the toolbar. Use the "System & Network Check" to troubleshoot issues. If an exam requires you to use a webcam, also run the "Webcam Check" from this area
- Respondus has a Knowledge Base available from support.respondus.com. Select the "Knowledge Base" link and then select "Respondus LockDown Browser" as the product. If your problem is with a webcam, select "Respondus Monitor" as your product

If you're still unable to resolve a technical issue with LockDown Browser, go to support.respondus.com and select "Submit a Ticket". Provide detailed information about your problem and what steps you took to resolve it.

Response time for posting of grades on D2L:

Exam/Quiz Grades Response Time: Grades will be posted instantly after you take the exam/quiz and once you hit "Save and Submit". Missed exams will have their 0 grades posted within 2 business days after the due date of the exam.

Discussion Board and Journals Response Time: Grades will be posted no later than 7 business days after due date.

Online Homework Response Time: Grades will be posted in D2L gradebook once you hit "Save and Submit Now". Missed homework will have their 0 grades posted within 2 business days after the due date of the assignment.

Midterm and/or final exam information:

Midterm: None

Final Exam: ONLINE Due by December 7 (Cumulative Multiple-Choice). This is a timed 2-hour cumulative exam.

LockDown Browser is required.

GENERAL EDUCATION PROGRAM LEARNING OUTCOMES

1. **Communication Skills:** Students will demonstrate competence and understanding in both oral and written expression.
2. **Critical Thinking:** Students will demonstrate mastery of discipline-specific problem-solving skills.
3. **Diversity:** Students will interpret and evaluate societal and ethical issues, problems and values specific to time and place.
4. **Technology:** Students will demonstrate competence in use of technology appropriate to course and/or circumstance.

COURSE LEVEL STUDENT LEARNING OUTCOMES

All courses with multiple sections must use the same wording for all SLOs, and assessments must share common attributes.

All courses with multiple sections must use the same wording for all SLOs, and assessments must share common attributes.

1. Students will demonstrate written communication and/or an awareness of diversity in the form of successful completion of a writing assignment.
2. Demonstrate a broad set of biology knowledge by recognizing correct answers to 10 specific questions on the final exam.
3. Demonstrate mastery of interpretation of scientific data by successfully creating, or interpreting, a graph from obtained data
4. Demonstrate competence of awareness of diversity by recognizing correct answers to questions on quiz.

Course Level SLO #	Gen Ed/Program Outcome #	<u>Summative Assessments</u> (A student artifact: A specific assignment that could be submitted as evidence of a General Education competency)
1	1, 3, 4	Students will demonstrate written communication and demonstrate diversity awareness in the form of successful completion of a writing assignment such as Journal submission or Discussion board post.
2	2	Students will demonstrate a broad set of biology knowledge by recognizing correct answers to 10 specific questions on the final exam.
3	2, 4	Interpret and/or produce a graph from data provided in the semester
4	3	Recognize correct answers to questions covering the topic of Diversity

COURSE CONTENT AND SCHEDULE

Each module schedule and content are listed below – **any time or date accommodations must be sent to the instructor for approval at least 5 business days before the scheduled due date and time – requests are not guaranteed.** The Unit test closes each unit – if you miss any due dates OR time, please review the Course Late Work Policy and Makeup Policy. Tasks and reading assignments are outlined per module. All modules are due on a Tuesday before 12 noon – some assignments (Some discussions, most Cengage assignments) will have specific dates WITHIN the module and are listed below, otherwise assignments will be due by 12 noon on the Tuesday ending the module. Refer to the Late Policy and

Missed Exam policy for any submitted work after this time (>12:01pm). All exams/assignments/activities are open on Day 1 of the semester – you can work ahead whenever possible to keep on track with due dates.

FINAL EXAM Topic: Cumulative (All chapters)

Date: Goes offline December 7 at 11:59pm (available 11/28)

Module Exams: There are 5 module exams that end each module and will be available at the beginning of the semester, allowing you to best fit the exam into your schedule (before the assigned due date and time). These exams are timed 50 minutes using LockDown Browser and should be treated as if you were taking a traditional exam (study first, no notes/books/google, once you start you must finish within timeframe etc.). If you have a Chromebook you will be required to obtain access to a computer that can use LockDown browser (you can make an appointment with NFC

library during their open hours on the exam days). Make sure you have a strong internet connection before taking the exam. Google Chrome or Firefox are the recommended browsers.

Final Exam: The final exam is a comprehensive (all chapters) multiple-choice/true false/fill in the blank exam. If you missed an exam through the semester you are required to take the final, which will replace your missed module exam. Or you could choose to take the final (as long as you complete all module exams) to replace a low score.

Discussions: In order for the Part 1 discussion post to be grade it must be submitted into the appropriate dropbox FIRST for Turnitin score evaluation. Then, you can submit the post to the appropriate discussion board in the Discussions tab (both submissions are required before the Part 1 post due date). Some discussions have two parts to it. Part 1 posts will have an earlier due date (within the assigned module – listed below in the schedule and in the course calendar in D2L). If you do not meet the first due date of the discussion, you can still post both Part 1 and Part 2 posts before the Part 2 post due date to receive an overall score minus late point.

Journal Entry: Each journal should be submitted as a .docx file and follow the general requirements outlined in the Journal Entry Requirements document in the course and the template provided. Please refer to the Turnitin score acceptable numbers.

COURSE POLICY STATEMENTS:

ATTENDANCE VERIFICATION POLICY (Week 1: Initial Attendance Verification) At the beginning of the semester, the instructor must report “no show” students for this course. “No show” indicates the student will be removed from the course. In order to be considered as attending the online course, the student must log in to D2L and complete “Getting Started,” step #1. Students will be prompted to complete the Mandatory Attendance quiz by the deadline as given on the course schedule; this quiz will verify students’ attendance in the course.

COURSE PARTICIPATION POLICY: Student is responsible for logging in daily, checking course News Feed notices, checking emails daily, and ensuring all assigned tasks are completed on or before the due date for each module. See Missed Test Policy, Missed Lab Policy and Late work/Extension Policy.

DIRECT QUOTES POLICY: Direct quotes will not be accepted in this course, and could result in a 0 on the writing assignment. Direct quotes do not count toward length requirements, if used (if the assignment has a minimum length requirement).

EMAIL POLICY – All email should be sent and received via the NFC email account and should have your course name in the subject. Communication from personal email accounts is not acceptable and may not be answered due to spam and junk mail filters. You are expected to check your NFC email regularly (at least once per day) – this is my main mode of communication outside of the scheduled class time.

Email messages are a form of **formal communication** (not a messaging app), which means I expect to see:

- A subject line which includes your course name and a very brief summary of topic
- The body should include a greeting and then your inquiry – be specific again to your course name as well as the file/exam name. Please limit the use of SMS texting language and use proper sentence structure (Capitals, comma’s, periods etc).
- You should always end your message with your name, preferably including your last name

EXTENSION (DATE/TIME) POLICY - There are no date extensions provided on any assignments, quizzes or exams throughout the semester. Most assignments and exams are open on Day 1 of the semester, allowing at least 2 weeks or more to work on the assignments. Please refer to Late Work Policy for late submissions.

EXTRA CREDIT POLICY: Extra credit work is already built into the course to improve your grade – do not ask for personal extra credit assignments. No extra credit assignments will substitute for missed exams, lab reports, or any other graded assignment.

LATE WORK POLICY- Maximum score on late lab report work is 50% if submitted within 24 hours past the due date and time. No work is accepted over 1 day late and will receive a 0. No online homework assignments will be accepted late and will automatically receive a grade of 0. The assignment rubric will not apply to any late work submissions.

MISSED TEST POLICY- No tests or quizzes can be missed. Any missed tests will automatically receive a 0 for that exam. If you miss an exam you may take the comprehensive final exam and the grade achieved on the final will replace the missed exam. There will be no make-up exams or quizzes.

REDO POLICY - There will be no “Redo” opportunities on assignments/discussions/online homework/exams offered in this course. The score you receive on an assignment will remain that score for the semester.

TURNITIN SCORE POLICY- Used on written submissions (journals and discussions) for purposes of plagiarism amongst students as well as outside sources. Scores should be no higher than 20% similarity to other sources. You should submit early enough (24-48 hours) to allow the score to appear. If the score is high you should reword your report and resubmit (again allowing enough time for the score to appear). Any Turnitin scores 8% or higher on submissions will be evaluated for similarity in individual answers – any paragraphs 90% highlighted (majority highlighted) will result in an automatic 0 for that written submission.

Turnitin Score	Lab Report Score
<20%	Acceptable
<20% : 90% similarity on one or more question responses	Automatic 0 on first offense. Student will be contacted by the instructor regarding NFC Academic Honesty Policy.
21-30	Report Grade minus 20%
31-39	Report Grade minus 30%
≥40	Automatic 0 on first offense. Student will be contacted by the instructor regarding NFC Academic Honesty Policy.

NFC INFORMATION AND POLICY STATEMENTS:

Academic Honesty

NFC is committed to providing a high-quality educational experience to all students, and students are expected to follow appropriate and honest academic practices. This information is available in the Academic Regulations section of the college catalog at www.nfc.edu. All cases of academic dishonesty will be reported to the Office of Academic Affairs.

Instructors use www.turnitin.com to review papers and projects for improper citation and/or plagiarism by comparing each student’s report against billions of internet pages, a repository of works submitted to Turnitin in the past, and thousands of academic sources. A comparison document called the *Similarity Report* details the areas of a student paper that may have been documented incorrectly or used improperly. **Refer to instructor’s course policy statements for usage details.**

Attendance Policy

Regular and consistent attendance facilitates student success. Absences beyond the equivalent of two weeks of class are considered to be excessive and thus may impact a student’s course grade. Typically, two weeks of class would be described as follows:

- For a three-credit hour class that meets MW or TR: 4 class meetings (2 weeks).
- For a three-credit hour class that meets once a week for three hours: 2 class meetings (2 weeks).

Students are responsible for material covered during their absence. Refer to instructor makeup policy.

If there is no verifiable participation within the first week of the term, a student will be dropped from the class for non-attendance. This includes classes delivered in face-to-face, online, or hybrid format. See instructor policy.

Textbook Purchases

All required course materials are listed in the Virtual Bookstore tab on NFC’s homepage. Course materials purchased through Follett, NFC’s only contracted vendor, can be charged against a student’s financial aid account. Course materials

may also be purchased from any other source with the understanding that these non-Follett purchases cannot be charged against a student's financial aid account.

Used Book Purchases

Students should check the Follett book list found in the Virtual Bookstore tab on NFC's homepage for correct titles and editions. Note: The ISBN listed in Follett may include both the required text and a required access code. When considering purchasing used books, students should be sure the purchase includes the ACCESS CODE in courses where required. If not, the access code must be purchased separately at an additional cost.

Students/Visitors: Where to Park on Campus

If you have any questions about parking on campus, contact Campus Security at (850) 973-0280. Park in designated parking spaces only. Do not park on the grass or in undesignated areas. Faculty/Staff parking areas are to be used only by full- and part-time employees of the college. Faculty and staff parking spaces are lined in yellow and are clearly marked "STAFF". Students and visitors can park in any spaces that are lined in white. **NOTE: Some visitor parking spaces are lined in yellow with the word "Visitor" in the center. These are for visitors only. Students are not allowed to park in these spaces. Vehicles cannot be parked by backing into the space. Any vehicle that is illegally parked will be towed at the owner's expense. Refer to the college catalog or student handbook for all other parking regulations.**

Enforcement: If a vehicle is parked illegally anywhere on campus, it is subject to be towed at the owner's expense (\$85.00+). An illegally parked vehicle will be given a **WARNING on the FIRST OFFENSE**. **There will be no second warning.** Illegally parked vehicles will be **TOWED ON THE SECOND OFFENSE**. Signs will be displayed near parking areas with the name and address of the company to contact if the vehicle is towed.

The company that tows the vehicle is an independent company contracted by North Florida College. The College has no authority to negotiate towing fees and is not in any way responsible for damage or liability to the vehicle or its contents. The company that provides the towing service is:

Jimmie's Firestone
6025 South SR 53
Madison, FL 32340
(850) 973-8546

Campus Security

The administration of NFC works diligently to make the campus as safe as possible. A few of the procedures in place include the use of security officers, the placement of security lights at strategic locations, and the locking of buildings when not in use. Students should always be alert and use normal precautionary measures at all times. Campus crime statistics are documented annually and are available in the college catalog. Campus security can be contacted at 850-973-0280 from 7:30 a.m. until 11:30 p.m. for assistance while on campus with non-emergency security concerns. All emergency incidents should be reported directly to 911.

Library Services

The Marshall Hamilton Library, located in Building 4 at NFC, is open during the following hours (hours are subject to change):

On Campus:

Monday – Thursday 8:00 a.m. – 7:00 p.m.
Friday 8:00 a.m. – 4:30 p.m.

Virtual appointments:

Monday-Thursday 8:00 a.m. – 4:30 p.m.

Resources and staff are available in the Library to support student learning in the classroom. Students are encouraged to visit our website and use the online resources. Students may make an appointment to receive help or use computers during the posted hours. Librarians are on duty to help with questions and research strategies. To gain access to the Library's extensive collection of electronic resources such as eBooks and academic databases with full-text articles, students will use the Single Sign-on through the MyNFC portal or Library Website. Students should contact the library at

library@nfc.edu or call (850) 973-1624 if they are having login issues. Online library resources are available to students 24 hours a day through the Library's website, <https://www.nfc.edu/learning-resources/>. Wireless Internet is also accessible in the Library and on the patio after hours. Specific policies and regulations applicable to the Library are available in the Library or by visiting the Library's website.

Academic Success Center

The Academic Success Center (ASC) exists to provide all NFC students, regardless of academic proficiency, the help and support necessary to ensure successful completion of studies and programs. Services include one-on-one peer and faculty-led tutoring assistance, online tutoring, organized group study sessions, workshops, study skills training, academic coaching, web resources, and more. The ASC takes pride in working closely with faculty and staff to develop resources and to support the various academic programs offered at NFC.

By appointment tutoring sessions: Students may make an appointment to receive tutoring services during the posted hours.

By appointment:

Monday – Friday 8:00 a.m. – 4:30 p.m.

Virtual Hours:

Monday-Thursday 8:00 a.m. – 5:30 p.m.

Friday 8:00 a.m. – 4:30 p.m.

- **Workshops, organized group study sessions, and professional tutoring:** See the ASC calendars and schedules on NFC's website for specific dates, times, and delivery methods. For additional information visit <https://guides.nfc.edu/asc>.

Smarthinking Online Tutoring

Online tutoring is available to NFC students 24 hours a day, 7 days a week, through Smarthinking. Each NFC student has access to a Smarthinking account and 240 minutes of free tutoring services. Located in D2L, Smarthinking offers a variety of tutoring services including drop-in live sessions, scheduled sessions, submit a question, and writing center submissions. Smarthinking covers a wide range of subjects like basic math, algebra, statistics, trigonometry, calculus, chemistry, physics, accounting, reading and writing (all subjects). Sessions are archived and available for students to review at any time for studying or test preparation.

For more information about accessing the Smarthinking online tutoring service, see the ASC webpage or contact Elizabeth Gonzales at gonzalese@nfc.edu or (850) 973-1719 and/or Jamen Brock at brockja@nfc.edu or (850) 973-9411.

For **any** additional information regarding services provided by the **Academic Success Center**, please contact any of the following:

- Elizabeth Gonzales, Academic Success Center Coordinator (850) 973-1719 / gonzalese@nfc.edu
- Jamen Brock, Tutor Lab Manager/Academic Specialist (850) 973-9411 / brockja@nfc.edu
- Academic Success Center (ASC) (850) 973-1624 / asc@nfc.edu

Americans with Disabilities Act

NFC is dedicated to the concept of equal opportunity. Students desiring modifications in class or on campus due to a disability may choose to inform the instructor at the beginning of the semester or contact the Disability Resource Center directly. Accommodations and modifications will be made after the student registers with the Disability Resource Center and provides appropriate documentation of disability. After the documentation is evaluated, the instructor may be involved in providing accommodations to equalize the student's educational experience. Students may call (850) 973-1683 (V) or (850) 973-1611 (TTY) for an appointment or additional information.

Technology Access

All NFC online learning tools are available on the MyNFC portal. To access the portal, students should click the MyNFC link at the top of the NFC website (<http://www.nfc.edu>) or type the following URL into the Internet address bar:

Modified 8/2/22

<https://my.nfc.edu>. When accessing the portal for the first time, students should click the "First Time User" link and follow the instructions to set up the account.

Each NFC student is provided an email account through GoMail. The student's GoMail account is the official email address used by faculty and staff for communication with the student. A student can access his/her GoMail account via the MyNFC portal. Students are expected to check their GoMail accounts regularly.

Desire2Learn (D2L) is the learning management system that houses all online and supplemented face-2-face courses. Students can log in to an online or supplemented course by accessing the MyNFC portal. Students will then see their course(s) listed under the "My Courses" widget on the D2L homepage. Click the name of the course to begin.

Student Ombudsman

The Student Ombudsman provides confidential, informal, and neutral assistance to students seeking to resolve disputes or address issues of importance. The Student Ombudsman does **not** serve as a student *advocate*, but rather serves as a guide to assist students in the navigation of College organizational structure and in understanding of policies and procedures. David Paulk is the current Student Ombudsman. He can be reached at (850) 973-9418 or paulkd@nfc.edu.

Equal Opportunity Statement
